

PRESENCE AT

Cityscape  
Global

10-13 September 2023

Exhibition & Convention Center, Saudi Arabia

## OUR EXHIBITION STAND

300+ curious minds flocked to our booth at Cityscape Global, where we unfolded the endless possibilities of 3D modeling and animation in the real estate industry.

# SOLUTIONS WE OFFERED

## 3D MODEL MAKING

BIDILlc is a leading model maker with 18 years of global experience, specializing in high-quality, state-of-the-art projects, landmarks & large-scale master plan models across the world.

## 3D VISUALIZATION

BIDILlc 3D photorealistic animation videos evoke the realistic atmospheric tone in prospective architecture, landscape & living spaces with aesthetically pleasing visuals.

## MULTIMEDIA SOLUTIONS

Crafts immersive, sensory experiences to connect audiences with your brand, utilizing impactful visuals, mixed-media, lasers, video mapping, and more.

# NHC

Elevated NHC's vision with 3 big Masterplans and 6 Villa models.

Meticulously crafted 3 masterplan models for NHC, featuring over 80,000 housing units and **318msq** of infrastructure, all carefully crafted at a **1:500** scale.

Al-Fursan by NHC the biggest 3D model achieved **3.5 Billion** Saudi Riyals in unit sales during the event.

# ROSHN

We created a comprehensive Masterplan for ROSHN that captured every detail, delivering a vivid representation of their urban development plans.

With a scale of 1:300, the Masterplan we crafted for Roshn allowed them to present their vision with unmatched clarity at Cityscape Global.

# OSUS

اسس  
OSUS

Osus had a diverse range of real estate projects, and we took on the challenge of creating 6 distinct 3D models for them.

Among these, we crafted a striking Highrise, 5 unique villa models, and office spaces that perfectly aligned with their vision.

# KINAN

كنان  
kinan

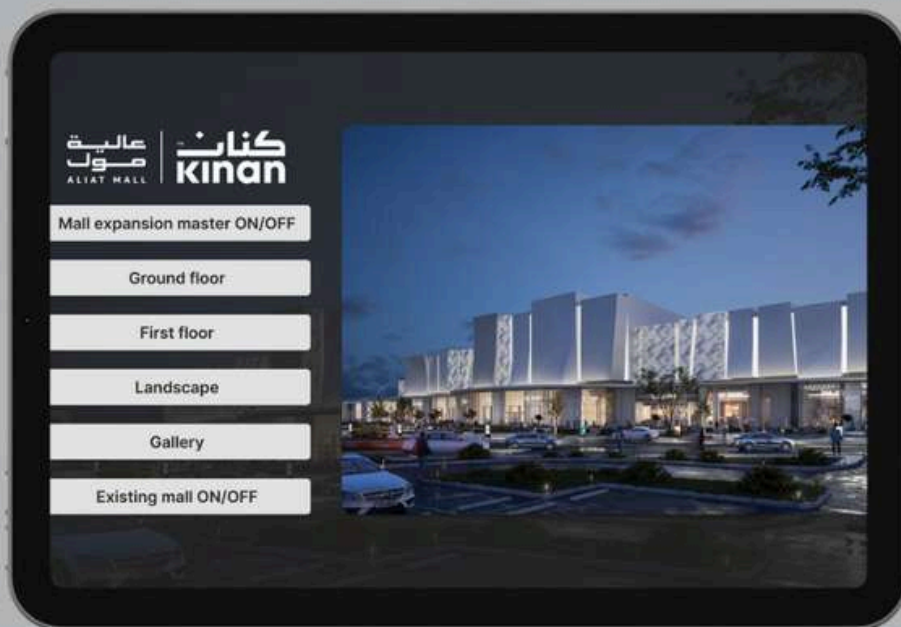

Kinan's vision was brought to life through a combination of our 3D Trunkey Solutions.

We provided them with a detailed Masterplan, an LCD Masterplan for a modern touch, a captivating Mall model that showcased the grandeur of their retail spaces, and 4 enchanting villa models.

# UNIFIED

Unified's diverse projects were beautifully represented by 3 distinct 3D models, each with its unique charm.

These models embodied our commitment to precision and innovation, reflecting Unified's vision with incredible accuracy.

# SAFA

For Safa, we embarked on a journey to breathe life into their Masterplan. With our meticulous 3D modeling, Safa's Masterplan became an inviting, immersive experience.

It showcased their urban planning concepts, turning them into a vibrant tapestry of the future, perfectly suited for the real estate event.

SAFA

# DAR WA EMAAR

With the Dar wa Emaar, we've brought their vision to life by crafting a detailed 3D villa model.

These models allow viewers to explore and understand the interior design effortlessly, with everything neatly organized into two sections: the ground floor and the first floor.

Our work showcases the charm of Dar wa Emaar's villas, making them perfect for the real estate exhibition.

# AL TAHALUF

For the Al Tahaluf project, we set out on a captivating journey to infuse vitality into their visionary Masterplan.

Through our exacting 3D modeling expertise, we transformed Al Tahaluf's Masterplan into an alluring and immersive spectacle.
